

Economic and Workforce Development Agenda

Inflation Relief:

Implement the "Inflation Relief & Consumer Assistance Plan" to reduce costs on everyday items

Infrastructure Improvements:

Invest funds in the construction and improvement of New York State infrastructure to increase safety and reliability

Support Small Businesses:

Increase support for local and small businesses by offering financial assistance, regulatory relief, and tax breaks

Create a Pipeline into the Workforce:

Introduce a channel of opportunity for entry into the workforce by creating apprenticeship programs in New York's High Schools

Improve Rural Support and Access:

Improve accessibility to broadband and farm fresh food in rural areas, and offer financial support for our New York State Farmers
