

# Affordability Agenda

## **Inflation Relief:**

Implement the "Inflation Relief & Consumer Assistance Plan" to reduce costs on everyday items

## **Immediate Cost Reduction for Families:**

Reduce energy bills and increase the take-home pay for hardworking families

## **Protect Families from Future Costs:**

Require a 2/3 vote for new or increased State taxes, protect healthcare choice, and protect from future property tax increases

## **Simplify the Tax Code:**

Examine the current tax code to study the impact of eliminating tax credits and implementing a corresponding tax rate reduction

## **Additional Tax Relief:**

Reduce taxes on senior citizens, and lower cell phone bills by eliminating State taxes
